MEDIA RELEASE

Viable Schools Report

In accordance with Board Policy 14-Viable Schools, a Special Meeting of the South East Cornerstone Public School Division Board of Education was held on October 2, 2014. The purpose of the meeting was to review the annual Viable Schools Report and to discuss and determine a course of action with respect to the school review process. The Board of Education has decided that no schools will be placed into review status for the 2014-2015 school year.

Further, the Board is presently developing a community engagement process, Cornerstone Tomorrow, that it anticipates will provide guidance for future direction in the school system.

Board Policy 14 can be found at www.cornerstonesd.ca under Board, then School Review.
