Congratulations is extended to Audrey Trombley (Chair) and Carol Flynn (Vice-Chair) who were acclaimed to another one year term during the November 21, 2018 annual organizational meeting of the South East Cornerstone Public School Division Board of Education. Both individuals have served continuously in their respective roles since November, 2014, with Mrs. Trombley previously serving as Chair for four years as well as Vice-Chair for two years. She has been a board member since her initial election in June, 2005.

Upon acceptance of her continued role, Mrs. Trombley remarked, “I am pleased to accept the position as Chairperson for the Board of Education for the South East Cornerstone Public School Division. Our board members are committed to serving our staff, students, parents and communities and I look forward to my continued work with them to ensure their voices are heard at the board table. As the Ministry of Education has begun their work with education partners to develop the plan for education for the next five, ten or fifteen years, I will continue to work with the Board and our Director of Education, Lynn Little, to participate in the process and to provide the governance required to achieve the mission, vision and goals of the school division.”
