

# SECPD Phased in Approach to Return to Extra-Curricular Activities

SECPD supports the development of the whole child. Further we believe that student engagement in classroom learning is enhanced through extra-curricular activities. All events and activities have been cancelled since March of 2020 when school was suspended. In-class learning has since resumed; however, many safety procedures must be adhered to provide a safe learning and teaching environment. As we re-introduce extra-curricular events, we must do so within the parameters of Re-Open Saskatchewan and the Government of Saskatchewan Primary and Secondary Educational Institution Guidelines. There are references to other required documents and procedures within each

- Extra-Curricular activities may be offered when schools are operating at Level One or Two of the SECPD Health and Safety Response Plan.
- Activities will resume in a phased approach.
- All activities require staff supervision. SECPD recognizes and supports that these are voluntary activities.
- Phase One has been initiated. Movement to phases will be determined at the system level.

## Sport Activities

Phase One	Phase 2A	Phase 3A	Phase 4
<b>Phys Ed and Recess Activities</b>	<b>Local School Intramural Program</b>	<b>Interschool, SEDAA Play</b>	<b>Interdivisional Play</b>
Establish PLC to develop processes and guidelines to safely resume activities in classes and at recess times	Following guidelines, students will have opportunities to participate within their own cohort of students. ** ECS and WCS cohorts will be defined by grade level at the Grade 9 thru 12 level.	Following guidelines, teams may be formed at the school level and practices may be initiated. *CSVS and Home-School students are welcome to join with their base/originating school to participate. *Community Coaches may be engaged with teams.	Following guidelines, teams may be approved to compete against teams from other jurisdictions.
Increase access to shared equipment and develop processes	<b>Phase 2B</b>	<b>Phase 3B</b>	
Review Governing Sport Body, study	Following guidelines, cohorts may begin to	Interschool Mini-Leagues may be established and	

SHSAA, study Re-Open Documents	play against other cohorts within the same school.	must follow the guidelines. *Students may only participate in one sport/event at any given time.
