

# Welcome to SE Cornerstone Online Learning

This acknowledges your enrollment in  
SE Cornerstone's Cyber Stone Virtual School.

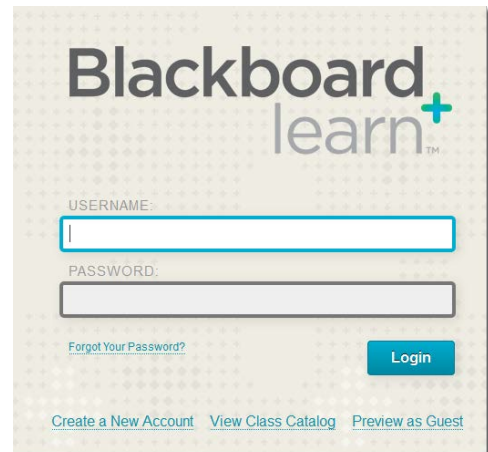

## Getting to Your Class

1. To access your class, go to <http://blackboard.cornerstonesd.ca>
2. Log into Blackboard, your online learning classroom
  - a. **If you are already a SE Cornerstone student** use your normal Cornerstone username and password

- b. **If you are not a SE Cornerstone student** your username should be your firstname.lastname and your password will be your birth month and day, typed in lower case without spaces.

Example: Donald Duck born on  
June 21 will have:

Username	donald.duck
Password	june21

3. After successfully logging in you will see a new screen – look on the right-hand side for a section called “My Classes”. You should find a link to your class there.

## Getting Started with Your Class

1. After you get to your online classroom, read over all Announcements carefully to get further instructions from your teacher
2. Check your email daily! For most students this will be your Cornerstone email account.

## Problems?

Problems? Please contact Peggy Lawson at [peggy.lawson@cornerstonesd.ca](mailto:peggy.lawson@cornerstonesd.ca) .

Please provide full details when describing your problems – your name, what class you are registered in, and what, specifically, you are unable to do.

We are currently transferring to several new systems and unfortunately a few bugs are to be expected.
