Shoes - A set of athletic shoes to be worn indoors only that have good support and non-marking soles that lace up or velcro. Please no skate shoes, Sanuks, or slip-on Sketcher's as these do not provide the necessary support and stability required in PE. As well, please ensure that your child is able to manipulate their own shoes.

The school will provide hand sanitizer but if you'd like to supply your own, please ensure that it is at least 60% ethanol content and unscented.

The first day of school is Tuesday, September 1<sup>st</sup>. Can't wait to see you then!
