Shoes – A set of athletic shoes to be worn indoors only that have good support and non-marking soles that lace up or velcro. Please no skate shoes, Sanuks, or slip-on Sketcher's as these do not provide the necessary support and stability required in PE. As well, please ensure that your child is able to manipulate their own shoes.

Children will be expected to go outside during recesses and breaks. Therefore, they should come to school prepared to go outside according to the type of weather that we are experiencing at that time of the year.

The school will provide hand sanitizer but if you'd like to supply your own, please ensure that it is at least 60% ethanol content and unscented.

Have a wonderful and well deserved summer. I look forward to seeing you in the fall Tuesday, September 1<sup>st</sup>.
