- SCC Workshop: Jos and Shawna attended virtually. Jos shared the PowerPoint with us and explained the slides. Exit Slip to provide feedback for next years workshop. We answered the questions on the exit slip as a group.
- Awards: We were asked about SCC sponsoring a grad award yearly. We would need to begin to come up with specific criteria for this award and an amount if we would like to go forward this. They would like it if the students would have to apply. Some criteria ideas would be community connections, community characteristics, academics. Jos asked us to think about this for our next meeting.
- Learning Plan Goals: Would we please over the Christmas break have a look at some ideas for online presentations we could look at getting for the school. Reading, Writing, math, grad rates and mental health. Jack Talk is one that has reached out to the school. Look at the possibility of doing a virtual easter bingo or possibly work with the Library and do a easter egg hunt like the snowflake hunt they are currently doing.

Nadja adjourned the meeting at 7:44PM
