

Wawota School Community Council Minutes
September 15, 2020

Attendance:

Jos Risling, Leanne Porter, Shawna Cudmore, Lori-Lynne Brehaut, Nadja Schlinger, Kyla West, Neena Johnson

Guest: Harold Laich

Note: Rochelle Friesen has stepped down as our Teacher Rep, so Lori-Lynne will be filling that position

1. After some technical issues, Jos called meeting to order and then Shawna took over as chair. Note that meeting is held on Teams. Harold was present with Jos, Shawna was on the phone with Lori-Lyn and Neena was on the phone with Leanne
2. **Guests & Presentations:** Harold is our guest, but no set agenda or presentation.
3. **Minutes From Last Meeting:** No minutes from last meeting as Sam was unable to attend.
4. **Treasurer's Report:** No Treasurer's Report, but we are starting with a fresh budget. Note that a subsequent email from Jos shows that our new money is \$1992.00.
5. **Old Business:**
 - a. Previous old business would include the SCC presence at the grad parade, but other wise really no old business to discuss
 - b. As agreed last spring, the SCC will donate food/lunch for the Playground committee the day the Playground is being assembled. Leanne will be available to set up and serve lunch. All food donations are accounted for.
5. **New Business:** No new business on the Agenda
7. **SRC Report:** The SRC is just beginning and Jaime and Elly are the coordinators. There have been no plans made yet as even the SRC will have to meet over teams so that cohort groups do not mix.
8. **Principal's Report:**

Enrollment is 209 . This was up to 226 but went back down again with some enrollment into Cyberstone.

Staffing: See attached report

Student Activities: (see attached). Note that all sports are on hold until further notice.

Terry Fox Walk: TBA, but thinking that the children could be allowed out to walk in their cohort groups.

Hot Lunch: Gr 10 PAA will be able to go ahead with hot lunches. They need to be put out in individual portions and can be delivered to the room and then the teacher would distribute

Note that SCC food fundraisers are off. If the school wants to do a food fundraiser, Subway would be allowed, but food would have to be dropped outside and then divided and delivered by teachers.

Awards Ceremony: try to have this the first week of October and will be held during the day via Teams. Jos and Elly would lay out all the awards and then “Host” the presentation via Teams, which would be beamed into each classroom. Later each student could get their picture taken individually with their award.

SAYCW Report: Jos has the results of this report, but it is now 2 years old and individual answers may not be relevant. He is going to email out the various topics of the report and if we think that some are of particular interest we can ask, or if we get ideas for engagement of the students from the report.

Safe School charter: Shawna to meet up with Jos to sign.

Review SCC Smart Goals:

>We reviewed the goals from last year. There will be some, such as the BBQ that we are unable to do. 2 Books 1 School would still be an option. Pre-packaged food at exam time is also ok. Bingo would only work if it was virtual, and all in school presentations would not be possible. Virtual presentations or videos would work. Please review the goals and think of some ideas for the next meeting.
