May 1, 2020

To prospective Radville Regional School Parents:

Radville Regional School is extremely excited to announce that registration for the 2020 – 21 school year is now open! We thank you for considering us as a place to foster academic success, creativity, and independence in a safe and welcoming environment. We were unable to meet you at our Welcome Event, due to the State of Emergency that our province found itself in. However, rest assured that our well-rounded staff is looking forward to meeting the needs of every individual student that walks in our hall.

We are currently working on renovations to meet the uniqueness of all our Kindergarten to grade 12 students. A modified blueprint of the project is attached to this letter. As you can see, we are adding elementary washrooms and restructuring classrooms. We are adding cubbies and benches and ultimately transforming the west end of our school.

Registrations can be found online at <http://bit.ly/3cSUJ78>

Registrations can also be picked up at the school in the black drop box directly to the right of the front doors.

Registrations can also be completed over the phone.

Completed Registrations:

- Can be emailed back to us at contact.radville@secpsd.ca
- Can be mailed to the address on our letterhead.
- Can be dropped off in person, through appointment with the principal.

In closing, we thank you for the shared enthusiasm for the opportunity to work together in the education of your child. If you require clarification on anything or have any further questions, please call us at 869-2551.

Sincerely,

Will Gilmore
Principal, RRS
